

He Loves You!

he loves me,

he loves me not.

he loves me,

he loves me not.

he loves me,

he loves me not.

he loves me,

He Loves You!

The most basic fact in all the universe is that God loves you. He is love itself (1 John 4:8). This wonderful scripture goes on to say. "This is how God showed His love among us: He sent His one and only Son into the world that we might live through him." That is how much God loves you, and Jesus loves you so much that He willingly took on your sin and died in your place that you might have His life and love. Had it been only you, He would have gone to the cross just for you. Tell Him now:

"Father God, thank you for loving me. I thank you for sending your Son Jesus into the world. Jesus, I thank you for loving me so much as to take on my sin and die in my place. Fill me with your Spirit and give me your life and love. In Your name I pray. Amen."
